CONNECTING PEOPLE TO OUR CHURCH

IN FOCUS

World Church: Pray for those in church leadership who are having challenges with their health. Pray that God will give them solutions and healing in His own time and way.

Uganda: Pray for the health center of the Kanyambara SDA Church, an initiative of the women's ministries seeking to reach people in hard to reach areas, especially women in labor. Due to various challenges, the center has been closed. Pray that God will guide in finding proper administration for the facility and that it will be reopened to continue its work for those who need care.

England: Pray for Chatham Church. The members seek to be a beacon of light in the community as they undertake intentional outreach work. Pray that their efforts will be effective, not because it is theirs, but because it has been fully surrendered to Jesus.

Canada: Pray for the Red Earth Creek Fellowship Group as they have formed Adventurers, Trailblazers, and Pathfinders clubs. Pray that these youth events will be a true blessing to the youth and to the community. Pray that it will break down barriers of prejudice and fear and be a tool of Jesus to love the community as He does.

United States: Pray for the Pueblo First SDA Church as they plan their outreach for the coming year. Pueblo was listed as one of the most dangerous cities in the United States so the members seek God's help as they engage with people of many backgrounds and living situations.

SICK AND SHUT-INS

Please call and pray for our sick and shut-ins. Let them know they are not forgotten and are cherished. Continue to pray for our grieving members and all families who have lost loved ones to various illnesses.
