CONNECTING PEOPLE TO OUR CHURCH

IN FOCUS

- **South Africa:** Pray for the Langkloof SDA Church. At a Health Day in Ravinia (a suburb in the nearby town of Joubertina), they received 47 requests for Bible studies. Praise God for these searching souls and pray for His Holy Spirit to continue working in this community as they follow through with Bible studies. Twenty of the people requesting Bible studies do not have their own Bibles. The program included a dental team, eye-screening by an optometrist (people need a referral to go to a government hospital eg for cataracts), blood pressure checks, and prayer with individuals.
- **Canada:** Pray for the Church in the Valley prayer ministry as they seek to train the children’s ministry division in prayer. Pray that the children attending will develop their own deep and vibrant prayer lives as a result of this work.
- **Nigeria:** Pray for Babcock University, a Seventh-day Adventist institution of higher learning, with a population of about 13,000 students. Pray for the President/Vice Chancellor and his principal officers, that they will be constantly filled with the Holy Spirit and honor God in all things. Pray that "thus says the Lord" will be the guiding principle in decision making in all that is done in the university. Pray for all the administrators, faculty, staff, and students to surrender their lives completely to God.

SICK AND SHUT-INS

Please call and pray for our sick and shut-ins. Let them know they are not forgotten and are cherished. Continue to pray for our grieving members and all families who have lost loved ones to various illnesses.
