IN FOCUS NEWS

- **Mexico - Follow Me:** The Adventist Church in Southeast Mexico launched “Follow Me,” a long-term strategy making discipleship a churchwide culture. It emphasizes knowing Jesus, growing in Jesus, and serving like Jesus while ensuring believers receive intentional support and spiritual guidance beyond baptism.
- **Pakistan - Digital Mission:** Adventist leaders in Pakistan received training in digital evangelism, social media, content creation, and online engagement. The initiative equips leaders to use digital platforms intentionally to share the gospel and connect people with Christ and the local church.
- **Colombia - Protected by God:** Approximately 300 students escaped unharmed when a building collapsed on the Corporación Educativa Adventista campus in Colombia during the August 10 earthquake! We thank God for His protection and pray for the students, staff, and school community as they recover.

SICK AND SHUT-INS

Please reach out to our sick and shut-in members with a call and a prayer. Let them know they are loved, cherished, and not forgotten. Please also continue to pray for our grieving members and for all families who have lost loved ones due to illness. May God bring them comfort, strength, and peace during this difficult time.
